Attendance Entry:

Please submit the total number of days (180 or more) attended for this student in the space below. The days attended are counted from the date of enrollment last year until the renewal date this year. You may still turn in the separate attendance form if you wish for me to put it into your student's file, but that is no longer required. The form is found at www.cheerfulheartacademy.com/attendance.

You are not required to school every month, or even during the normal 'school year'; however, you must show at least 180 days of attendance over the course of a 365-day year.

(Note) Florida Attendance Requirements: Florida Statutes require that all private, parochial, or public school students who are receiving government funding or scholarships attend school for a minimum of 180 days per year and for the hours (or weekly equivalent) below:

- Kindergarten: 3 hours per day/15 hours per week
- 1st-3rd: 4 hours per day/20 hours per week
- 4th-12th: 5 hours per day/ 25 hours per week.

Please think of this as a guideline only - education can happen in many different ways and does not always happen "in the books".
